Hi Charles. Good news. The ODC Board approved a joint Board meeting with CILQ for September 17 and they agree to do it in Ottawa.

As we normally do, ODC will hold a regular Board meeting on the afternoon of September 16 in Ottawa. Please let me know if you want me to book space for you to do the same.

I will also find something fun for us to do as a social event on the evening of September 16.

Lastly, I think I should advise Dan and Mathieu that they (+ 1 guest) will be invited and that they should hold the date.

We can chat tomorrow about it.

See you in the morning.
